MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto*, will be guilty of a misdemeanour; and that persons opening, *or advertising houses, for transacting business relating to the Sale of Offices*, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission*, shall, on being convicted thereof by a General Court Martial, *forfeit his Commission*, and be *Cashiered*; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions*, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorised Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

CIRCULAR. 494.

WAR-OFFICE, November, 1823.

SIR,

WITH reference to the Circular Letter dated the 29th September last, relative to Men discharged in consequence of length of service, I am directed to state, that the usual Marching Allowance to such Men, their Wives and Families, may be issued according to the Regulation of 25th July, 1816, and may be charged in the Regimental Pay List.

A Report of such Payments should be immediately transmitted to the Commissioners of Chelsea Hospital, agreeably to the Form prescribed by the abovementioned Regulation; in which Reports are to be inserted the Dates to which the Marching Allowances of the Men shall have been paid, and from which therefore their Pensions will commence.

An additional Form of Report is herewith enclosed, which it has been found necessary to substitute for that above alluded to, in the cases of Men who will have to proceed to their homes partly by sea, and whose Marching Allowance is to be issued at the Regiment only to the places of their intended embarkation.

The remainder of the Allowance, up to the dates of the arrival of such Men at their own homes, is to be issued by the Agent or Paymaster of a District (as the case may be); and in reckoning the period for which this further Allowance is to be paid, the periods the Men are expected to be on board ship, and on the march subsequently to their landing, are to be taken into account.

A Statement is annexed showing the probable Number of Days of the Passages from and to most of the Ports between England, Ireland and Scotland, and which may be taken for your guidance accordingly.

You will of course be aware that the Pension of the Men will commence from the dates subsequent to those up to which it has been calculated they will receive the Marching Allowance to their Homes.

I am, &c.

WAR-OFFICE, 29th November, 1823.

SIR,

I HAVE to inform you that from the 25th December next, Officers commanding on the North American and other Stations, and receiving Command Money, except in the Cases provided for by my Circular of 10th January, 1812, will be considered in the same light, with regard to their Regimental Pay and Allowances, as Officers holding Staff Appointments, and will be liable to a similar deduction on account thereof.

I have, &c.

GEORGE R.

WHEREAS it has been represented unto Us, by the Colonels of Our Cavalry Regiments in India, that a tropical Climate is extremely injurious to all Manufactured Articles of Leather and Iron, and, consequently, that the Wear and Tear of Saddlery and other Horse Appointments is much greater in the East and West Indies than in Europe, and that the established Allowance of Off-reckonings is wholly inadequate to meet the encreased expense caused by such extraordinary decay of those Articles. And Whereas it has been found, that this additional expense to a Colonel amounts on the average to about one pound, three shillings, and seven-pence half-penny per annum for each man on service in India: our Will and Pleasure therefore is, that besides the present allowance of Off-reckonings, a further annual allowance of one pound, three shillings, and seven-pence half-penny

Digitized by Google

shall be granted to the Colonels of Our Regiments of Cavalry serving in the East or West Indies for each Non-commissioned Officer, Trumpeter, and Private borne upon the Regimental Establishment, with the exception of the Men belonging to the Recruiting Troops, which are stationed in Europe.

And whereas it has also been represented unto Us, that Our Cavalry Regiments in the East Indies formerly received from the Honourable East India Company, a local Allowance sufficient to defray the expense in question, but which Allowance was discontinued from the 25th of June, 1815; We thinking it both just and expedient that the Colonels of Our said Regiments should be relieved from the loss occasioned by the discontinuance of that Allowance, are accordingly pleased to direct, that the Allowance before mentioned, of one pound, three shillings, and seven-pence half-penny, for each man per annum, shall commence from the 25th of June, 1815, inclusive. And for so doing, this shall be, to all persons whom it doth or may concern, a sufficient Warrant, Authority, and Direction. Given, &c. this 8th day of December, 1823, in the Fourth Year of our Reign.

By His Majesty's Command,
(Countersigned) PALMERSTON.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

CIRCULAR. 494.

WAR-OFFICE, November, 1823.

SIR,

WITH reference to the Circular Letter dated the 29th September last, relative to Men discharged in consequence of length of service, I am directed to state, that the usual Marching Allowance to such Men, their Wives and Families, may be issued according to the Regulation of 25th July, 1816, and may be charged in the Regimental Pay List.

A Report of such Payments should be immediately transmitted to the Commissioners of Chelsea Hospital, agreeably to the Form prescribed by the abovementioned Regulation; in which Reports are to be inserted the Dates to which the Marching Allowances of the Men shall have been paid, and from which therefore their Pensions will commence.

An additional Form of Report is herewith enclosed, which it has been found necessary to substitute for that above alluded to, in the cases of Men who will have to proceed to their homes partly by sea, and whose Marching Allowance is to be issued at the Regiment only to the places of their intended embarkation.

The remainder of the Allowance, up to the dates of the arrival of such Men at their own homes, is to be issued by the Agent or Paymaster of a District (as the case may be); and in reckoning the period for which this further Allowance is to be paid, the periods the Men are expected to be on board ship, and on the march subsequently to their landing, are to be taken into account.

A Statement is annexed showing the probable Number of Days of the Passages from and to most of the Ports between England, Ireland and Scotland, and which may be taken for your guidance accordingly.

You will of course be aware that the Pension of the Men will commence from the dates subsequent to those up to which it has been calculated they will receive the Marching Allowance to their Homes.

I am, &c.

WAR-OFFICE, 29th November, 1823.

SIR,

I HAVE to inform you that from the 25th December next, Officers commanding on the North American and other Stations, and receiving Command Money, except in the Cases provided for by my Circular of 10th January, 1812, will be considered in the same light, with regard to their Regimental Pay and Allowances, as Officers holding Staff Appointments, and will be liable to a similar deduction on account thereof.

I have, &c.

GEORGE R.

WHEREAS it has been represented unto Us, by the Colonels of Our Cavalry Regiments in India, that a tropical Climate is extremely injurious to all Manufactured Articles of Leather and Iron, and, consequently, that the Wear and Tear of Saddlery and other Horse Appointments is much greater in the East and West Indies than in Europe, and that the established Allowance of Off-reckonings is wholly inadequate to meet the encreased expense caused by such extraordinary decay of those Articles. And Whereas it has been found, that this additional expense to a Colonel amounts on the average to about one pound, three shillings, and seven-pence half-penny per annum for each man on service in India: our Will and Pleasure therefore is, that besides the present allowance of Off-reckonings, a further annual allowance of one pound, three shillings, and seven-pence half-penny

shall be granted to the Colonels of Our Regiments of Cavalry serving in the East or West Indies for each Non-commissioned Officer, Trumpeter, and Private borne upon the Regimental Establishment, with the exception of the Men belonging to the Recruiting Troops, which are stationed in Europe.

And whereas it has also been represented unto Us, that Our Cavalry Regiments in the East Indies formerly received from the Honourable East India Company, a local Allowance sufficient to defray the expense in question, but which Allowance was discontinued from the 25th of June, 1815; We thinking it both just and expedient that the Colonels of Our said Regiments should be relieved from the loss occasioned by the discontinuance of that Allowance, are accordingly pleased to direct, that the Allowance before mentioned, of one pound, three shillings, and seven-pence half-penny, for each man per annum, shall commence from the 25th of June, 1815, inclusive. And for so doing, this shall be, to all persons whom it doth or may concern, a sufficient Warrant, Authority, and Direction. Given, &c. this 8th day of December, 1823, in the Fourth Year of our Reign.

By His Majesty's Command,
(Countersigned) PALMERSTON.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto*, will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices*, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission*, shall, on being convicted thereof by a General Court Martial, *forfeit his Commission*, and be *Cashiered*; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions*, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum

of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

HALF-PAY—PENSIONS, &c.

Army Pay Office, Whitehall, London,
February 16, 1824.

IT appearing evident to the Paymaster-General, from various representations made to him by Claimants for Half-pay, Pensions for Wounds, Retired Pay, Widows' Pensions, &c. that many Officers and others, residing in the country, are Ignorant of the means by which, agreeably to the Regulations of the Department, they may receive their Allowances from this Office;

Notice is hereby given, that all Officers, or other Persons, on the List of Unattached General Officers, Half-pay, Retired Full and Half-pay, Military Pensions for Wounds, Widows' Pensions, Royal Bounty, or Compassionate Allowances, &c. may receive their Pay or Pension, as the case may be, in any one of the three following modes, viz.

By personal application at this Office; or through an Agent, resident in London, duly authorized by power of Attorney; or by remittance, without any deduction or abatement whatever, by Bills drawn out by this Office in their favour, payable on demand by the Receivers-General of the Land Tax, the Collectors of Cess in Scotland, the Collectors of Customs, or Collectors of Excise, in any part of the Country, under the Act 47 Geo. 3. sec. 2. cap. 25.

All Officers, or other Persons, desirous of receiving their Pay or Pensions, &c. in the mode last mentioned, should apply for special instructions, and forms of Affidavits, &c. by Letter, addressed to The Right Honourable The Paymaster-General, Whitehall, London, when every information will be afforded to them.

WARRANT fixing One Date in each Year, namely the 25th of January, as that on which the Colonels or Commandants of Corps shall have a Vested Interest in the Assignments of the Off-reckonings of their Respective Corps.
Dated 24th January, 1824.

GEORGE R.

WHEREAS it has been represented unto Us, that it would be convenient, that one fixed date should be established, as that on which Colonels or Commandants of Corps should have a vested interest in the assignments of the Off-reckonings of their respective Corps; Our will and pleasure therefore is, and We are hereby pleased to order, that the Officer actually Commissioned as Colonel, or Commandant of each of Our Corps of Cavalry, on

the 25th of January in each year, during which a biennial or quadrennial Assignment of Off-reckonings shall terminate, shall be entitled to make the Assignment of Off-reckonings for the biennial or quadrennial period, commencing on the 25th December in such year; and the Officer actually Commissioned as Colonel or Commandant of each of Our Corps of Infantry, on the 25th of January in each year, shall be entitled to make the Assignment of the Off-reckonings for the year commencing on the 25th of December next after that date.

But as it may sometimes be necessary, that the Authority to provide Clothing for Corps serving in India, or on other Stations to the Eastward of the Cape of Good Hope, should be given at an earlier date than that above-mentioned; We are further pleased to direct, that in case any Colonel or Commandant of a Corps so stationed, shall, with the sanction of our Commander-in-Chief and Secretary at War, order the Clothing at such earlier date, and shall be succeeded by another Colonel or Commandant between the time of ordering the Clothing and the said 25th January, the Colonel or Commandant who shall have succeeded to, and be in command of the Corps on the 25th January, shall indemnify the preceding Colonel, or his Representatives, for the cost of the whole of the Clothing provided by his orders, for the use of the Regiment, for the year or period commencing the 25th December following the said 25th January. And in case of any dispute arising, as to the sum to be paid for such Clothing, the question shall be referred to the consideration of a Board of General Officers, who shall report to Us their opinion thereupon.

We are further pleased to order, that if the appointment of Colonel or Commandant of a Corps shall be vacant on the 25th of January in any year, the Officer next succeeding to the Command of the Corps shall be entitled to make the Assignment, and shall be liable to indemnify the preceding Colonel or Commandant in the same manner as if he had held the Commission of Colonel or Commandant on the 25th of January in that year.

And for so doing, this shall be to all persons whom it doth or may concern, a sufficient Warrant, Authority, and Direction.

Given at Our Court at Carlton Palace this 24th day of January, 1824, in the Fourth Year of Our Reign.

By His Majesty's Command,

GENERAL ORDER.

HORSE-GUARDS, 19th February, **1824.**

IT has been recently brought to the Commander-in-Chief's notice, that an Officer Commanding a Detachment of Troops on board one of the East India Company's Ships ventured to oppose the boarding of that Vessel by certain Officers and Seamen of the Royal Navy, who had been sent from one of His Majesty's Ships for that purpose; and His Royal Highness deeming such a proceeding to be highly improper, as tending to place one branch of His Majesty's Service in collision with another, has felt Himself called upon to convey His censure and admonition to the Officer who took so ill-judged a view of his duty: the circumstance is thus published to the Army, in order to caution all Officers against an interference with His Majesty's Navy, in case a Detachment of it should at any time be ordered to board a Ship in which Troops may be embarked.

By Command of His Royal Highness
The Commander in Chief.
HENRY TORRENS,
Adjutant-General.

MEMORANDUM.

THE Secretary at War acknowledges to have received from A. Z. a Bank of England note for £10, No. 13,031, dated 23d of September, **1823**, being in addition to the sum of £25, acknowledged in the Army List for June, 1821, as part re-payment of £130, stated by A. Z. to be due to the Public, in consequence of an error discovered by him in his Accounts.

The above Bank-note for Ten Pounds has been paid into the Bank of England, to the Account of the Paymaster-General of the Army.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price

shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

THE annexed Regulations concerning "the Appointment of Persons to "Commissions in the Army, the Prices of Commissions, the Purchase and "Sale of Regimental Commissions," &c. having been approved by His Majesty, are, henceforth, to be observed, instead of those which are detailed between pages 44 and 57 of the "General Regulations and Orders for the Army."

The Circular Letter of the 7th June, 1823, addressed to Colonels and Commanding Officers of Regiments, relative to Exchanges, is cancelled by the present Regulations, which contain all the provisions of that Document.

By Command of His Royal Highness
The Commander in Chief.

N. B.—Commissions sold in Regiments serving in Ireland, are to be paid for in British Currency.

When an Officer is desirous of retiring from the Service, and of obtaining Leave to sell his Commission, he is to send his Resignation through the Commanding Officer of his Regiment (if his Regiment is in Great Britain) to his

Colonel, who will transmit the same to the Commander in Chief through his Military Secretary.

Officers belonging to Regiments stationed in Ireland must make their Applications in a similar Course to the Commander of the Forces in that part of the United Kingdom; and on Foreign Stations to the General Officer Commanding, their Applications being previously sanctioned by their respective Commanding Officers.

When an Officer is desirous of retiring to Half-pay, receiving the regulated Difference, the same Rules are to be observed in regard to transmitting his Application.

Officers retiring upon the Half-pay and receiving the Difference, forfeit all claim to further Rank or Employment, *to the Pension for their Widows, and to Compassionate Allowance for their Children*, unless they repay the Difference upon being allowed to come in again upon the same Rank in which they retired, but they forfeit their progressive Rank during the Period of their Retirement.

Officers upon the Half-pay who are desirous of paying the regulated Difference for Exchange to Full Pay, are to report their wish to the Commander in Chief's Military Secretary, and to state by whom their Money will be paid when required.

Quarterly Returns of all Officers prepared to purchase Promotion are to be regularly transmitted from each Regiment and Corps in the Service, on the 25th March, 25th June, 25th September, and 25th December, in each Year, to the Commander in Chief's Military Secretary, Horse Guards, London. These Returns must be prepared according to the following Form:

Return of Officers of the Regiment of who are desirous to purchase Promotion. 25th of

Rank & Names.	Where their Money is lodged or to be obtained.	Date of present Rank.	Standing in the Army.	Remarks, stating whether for Rank in the Regiment only, or in any other Corps.

and to be accompanied by written Certificates signed by the Commanding Officer, viz.

1st.—"*That he has ascertained by reference, through the Regimental Agent, "to the responsible Persons, that in each case there is good and sufficient security "that the Purchase Money will be forthcoming when called for.*

2d.—"*That of the Individuals so returned as Purchasers, A.B.C. &c. are in "all respects deserving of Promotion, and those whom he would not hesitate to re- "commend, whenever the Vacancy shall offer, as fit for the Duties of the higher "and more responsible Commission.*"*

When the Regiment and Commanding Officer are Abroad, the Commanding Officer is to state the Security to which Reference is made, and the Military Secretary will ascertain, through the Agents, whether that Security be good and suffi-

cient, it being understood, that if the answer be not at once satisfactory, the Individual will be struck out of the List of Purchasers.

The Quarterly Return so certified, is to be the only communication made on the subject of Promotion by Purchase; and when a Resignation is sent in, it will be considered unconditional *and* irrevocable, *and no Successor is to be pointed out or recommended.*

In all cases, the Individual selected for the Purchase, or his Sureties, will be called upon to lodge the Purchase Money with the Agents.

If the Senior who may have been returned as a Purchaser, and whose Money shall have been certified to be forthcoming, should decline the Purchase when selected for it, or his Sureties should decline it for him, he or they will be called upon to state the Reason for so declining to the Military Secretary, for the Commander in Chief's Information; and if the Explanation should not be considered satisfactory, his Name will be struck out of all future Lists of Purchasers.

The Candidates who may be selected from reference to the Quarterly Returns for the Purchase of Promotion out of their own Corps, will be directed to lodge the Purchase Money, without being acquainted in what Regiment they are to obtain the Promotion, nor will any Application for the Purchase of Promotion which points out the expected Vacancy be admitted.

Similar Returns must be forwarded to the Regimental Agents, for the information of their respective Colonels; and, unless Officers' Names are inserted in these Returns, or they shall notify their intentions direct to Head Quarters at intermediate periods, stating the reason for previous omission, *which reason must be certified by the Colonel or Commanding Officer,* they can have no claim to Succession by Purchase.

In all cases of Exchanges between Officers on Full Pay, whether of Cavalry or Infantry, or from Cavalry to Infantry, the Recommendations must be signed by the Colonels or Commanding Officers of the respective Regiments, and must be accompanied by a Declaration signed by the Individuals, and certified by the Colonels or Commanding Officers of the Regiments to which they respectively belong; stating that the Exchange recommended does not originate in any Regimental Proceeding of any kind, or in any Cause affecting the Honor and Characters of the Officers, and that there are no grounds of personal objection which have, in the smallest degree, induced an Application for such Exchange, and by the following additional Certificate.

"That they do not intend to sell out, or retire upon Half-pay, after effecting "such Exchange, but that it is their bonâ fide intention to join immediately, and "do duty with the Corps to which they exchange, the Leave of Absence which "may have been granted to either, or both, being cancelled by such Exchange."

No Officer of Cavalry who shall apply for Permission to retire on Half-pay, will be allowed to receive the Difference between Full Pay of Cavalry and Full Pay of Infantry, but such Exchange will be viewed as being, to all intents, an Exchange to the Half-pay of his Brunch of the Service, receiving the Difference between Full Pay and Half-pay, and subject to the restrictions applicable to such Exchanges.

In Exchanges to Half-pay, either with, or without, the Difference, or from Cavalry to Infantry, the Application must be general and unconditional, and the Officer upon Full Pay will not be allowed to point out his Successor, who will be indiscriminately selected by the Commander in Chief without any previous notice to the Parties.

Every Officer who, from Wounds, Ill Health, Infirmity, or Age, shall become

unfit for Service, and who shall be desirous of retiring upon Half-pay, will transmit his Application through his Colonel, or Commanding Officer, accompanied by a Certificate from the Senior Medical Officer of the Regiment, expressing the Cause of his becoming unfit for Service, and which Certificate must be countersigned by the Colonel or Commanding Officer.

It is to be most strictly observed, that no Persons shall be employed in the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, "except such as are Agents of Regiments, authorized by the Commander in Chief, or by the Colonels or Commandants of Regiments or Corps, and shall act therein under such Regulations only as are, or shall, from time to time, be established by His Majesty, and shall not cause or procure, or knowingly permit, or suffer to be printed or advertised, any Advertisement or Advertisements, Proposal or Proposals, for any Purchase, or Sale, or Exchange of any Commission, or any Negotiation relating thereto; and shall not receive or take any Money, Fee, Gratuity, or Reward, or any Promise, Agreement, Covenant, Contract, Bond, or Assurance, or by any way, means or device, contract or agree to receive, or have, any Money, Fee, Gratuity or Reward, for acting in such behalf."

"It is also to be observed, that every Officer in His Majesty's Forces who shall take, accept, or receive, or pay, or agree to pay, any larger Sum of Money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions in His Majesty's Forces, or who shall pay, or cause to be paid, any Sum of Money to any Agent or Broker, or other Person, for negotiating the Purchase, Sale, or Exchange of any such Commission, shall, on being convicted thereof by a General Court Martial, forfeit his Commission, and be Cashiered;" and, "That every Person who shall sell his Commission in His Majesty's Forces, and not continue to hold any Commission in His Majesty's Forces, and shall, upon, or in relation to such Sale, take, accept, or receive, directly or indirectly, any Money, Fee, Gratuity, Loan of Money, Reward or Profit, or any Promise, Agreement, Covenant, Contract, Bond or Assurance, or shall by any device or means, contract or agree to receive, or have any Money, Fee, Gratuity, Loan of Money, Reward or Profit, beyond the Regulated Price or Value of the Commission sold, and also every Person, who shall wilfully or knowingly aid, abet, or assist such Person therein, shall be deemed and adjudged guilty of a Misdemeanor."*

It is hereby Declared, that in all cases when these Regulations shall appear to the Commander in Chief to have been infringed or evaded, the Promotion, or Exchange, will be at once Cancelled.

And in all Cases where Proof can be obtained, that the Provisions of the Act 49 Geo. 3d. cap. 126, and the 134th clause of the Mutiny Act, have been, directly or indirectly, infringed, the Commander in Chief will take Measures for giving full effect to the Penalties which attach to such Offence.

* Vide Act 49 Geo. 3. Chap. 126, Sect. 7 and 8.

Promotion, Exchange and Resignation of Regimental Officers.

No Officer shall be promoted to the Rank of Captain, until he has been Two Years an Effective Subaltern.

No Officer shall be promoted to the Rank of Major, until he has been Six Years in the Service.

No Regimental Officer, being actually under Orders to join a Regiment or Battalion on Foreign Service, or to embark with a Corps destined for Foreign Service, shall be permitted to exchange into another Regiment except such Exchange shall be solicited on the ground of Extreme Ill Health, which must be certified by a Military Medical Officer. In these Medical Certificates it must be clearly stated, whether the cause of the Officer's Inability has, or has not, arisen subsequently to his having been placed under Orders to join his Regiment.

Officers who give in the Resignation of their Commissions, *or who apply to retire on Half-pay, with, or without the Difference,* are not, in consequence, to quit their Regiments, until they receive regular Permission for that purpose.

The Colonels or Commanding Officers of Regiments of Militia, when embodied, and serving under a General Officer's Command, are required, previously to their submitting the Resignation of any Officer to the Lord Lieutenants of their respective Counties, to make a communication of their intention through the General Officer Commanding the Brigade, to the General Officer Commanding the District.†

† N.B. It is not required that the Communications on this Subject shall be transmitted for the Approbation of the Commander in Chief. When the General Officer Commanding has no objection to the Resignation being accepted, he is to signify the same to the Colonel or Commanding Officer of the Militia Regiment, who will then forward the Resignation to the Lord Lieutenant.

Warrant for Subjecting the Pay of Officers in Jamaica, Ceylon, Mauritius, and on all other Foreign Stations, (except India,) where Allowances are granted instead of Rations of Provisions in Kind, for Themselves and their Servants, to the same Stoppage as is made from the Pay of Officers on Stations abroad where Rations of Provisions are issued in Kind.

GEORGE R.

WHEREAS the Staff and Regimental Officers of Our Forces in Jamaica, Ceylon, and the Mauritius, receive a Colonial Allowance in lieu of Rations of Provisions in kind, without any stoppage being made from their Pay on account of such Allowance: and whereas We consider it to be just and expedient that the Officers of Our Army should in all cases be placed, as nearly as possible, upon an equal footing. Our Will and Pleasure therefore is, and We do hereby order and direct, that the Pay of Our Staff and Regimental Officers, serving in the said Islands, and on every other Foreign Station, except in the territorial Possessions of the East India Company, and receiving a Colonial Allowance in lieu of Rations of Provisions, shall be subject to a Deduction of Two-pence Halfpenny per Diem for each

Ration, for which such Colonial Allowance shall be made, being the same Stoppage as is now made from the Pay of those Officers who are supplied abroad with Rations of Provisions in kind for themselves and their Servants.

We are further pleased to direct, that the present Regulation shall take effect from the twenty-fifth day of the month next ensuing the receipt of this our Order, by the Generals or other Officers in command of Our Forces on the several Stations Abroad.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto*, will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices*, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission*, shall, on being convicted thereof by a General Court Martial, *forfeit his Commission*, and be *Cashiered*; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions*, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such

Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

THE annexed Regulations concerning "the Appointment of Persons to "Commissions in the Army, the Prices of Commissions, the Purchase and "Sale of Regimental Commissions," &c. having been approved by His Majesty, are, henceforth, to be observed, instead of those which are detailed between pages 44 and 57 of the "General Regulations and Orders for the Army."

The Circular Letter of the 7th June, 1823, addressed to Colonels and Commanding Officers of Regiments, relative to Exchanges, is cancelled by the present Regulations, which contain all the provisions of that Document.

It is the Duty of Regimental Agents to make regular Communications to the Commanding Officers of Regiments of all Appointments, Promotions, Removals and Exchanges of Officers, specifying the Dates of the same taking place.

N. B.—Commissions sold in Regiments serving in Ireland, are to be paid for in British Currency.

When an Officer is desirous of retiring from the Service, and of obtaining Leave to sell his Commission, he is to send his Resignation through the Commanding Officer of his Regiment (if his Regiment is in Great Britain) to his

Colonel, who will transmit the same to the Commander in Chief through his Military Secretary.

Officers belonging to Regiments stationed in Ireland must make their Applications in a similar Course to the Commander of the Forces in that part of the United Kingdom; and on Foreign Stations to the General Officer Commanding, their Applications being previously sanctioned by their respective Commanding Officers.

When an Officer is desirous of retiring to Half-pay, receiving the regulated Difference, the same Rules are to be observed in regard to transmitting his Application.

Officers retiring upon the Half-pay and receiving the Difference, forfeit all claim to further Rank or Employment, *to the Pension for their Widows, and to Compassionate Allowance for their Children*, unless they repay the Difference upon being allowed to come in again upon the same Rank in which they retired, but they forfeit their progressive Rank during the Period of their Retirement.

Officers upon the Half-pay who are desirous of paying the regulated Difference for Exchange to Full Pay, are to report their wish to the Commander in Chief's Military Secretary, and to state by whom their Money will be paid when required.

Quarterly Returns of all Officers prepared to purchase Promotion are to be regularly transmitted from each Regiment and Corps in the Service, on the 25th March, 25th June, 25th September, and 25th December, in each Year, to the Commander in Chief's Military Secretary, Horse Guards, London. These Returns must be prepared according to the following Form:

Return of Officers of the Regiment of who are desirous to purchase Promotion. 25th of

Rank & Names.	Where their Money is lodged or to be obtained.	Date of present Rank.	Standing in the Army.	Remarks, stating whether for Rank in the Regiment only, or in any other Corps.

and to be accompanied by written Certificates signed by the Commanding Officer, viz.

1st.—"*That he has ascertained by reference, through the Regimental Agent, to the responsible Persons, that in each case there is good and sufficient security that the Purchase Money will be forthcoming when called for.*

2d.—"*That of the Individuals so returned as Purchasers, A.B.C. &c. are in all respects deserving of Promotion, and those whom he would not hesitate to recommend, whenever the Vacancy shall offer, as fit for the Duties of the higher and more responsible Commission.*"*

When the Regiment and Commanding Officer are Abroad, the Commanding Officer is to state the Security to which Reference is made, and the Military Secretary will ascertain, through the Agents, whether that Security be good and suffi-

cient, it being understood, that if the answer be not at once satisfactory, the Individual will be struck out of the List of Purchasers.

The Quarterly Return so certified, is to be the only communication made on the subject of Promotion by Purchase; and when a Resignation is sent in, it will be considered unconditional and irrevocable, and no Successor is to be pointed out or recommended.

In all cases, the Individual selected for the Purchase, or his Sureties, will be called upon to lodge the Purchase Money with the Agents.

If the Senior who may have been returned as a Purchaser, and whose Money shall have been certified to be forthcoming, should decline the Purchase when selected for it, or his Sureties should decline it for him, he or they will be called upon to state the Reason for so declining to the Military Secretary, for the Commander in Chief's Information; and if the Explanation should not be considered satisfactory, his Name will be struck out of all future Lists of Purchasers.

The Candidates who may be selected from reference to the Quarterly Returns for the Purchase of Promotion out of their own Corps, will be directed to lodge the Purchase Money, without being acquainted in what Regiment they are to obtain the Promotion, nor will any Application for the Purchase of Promotion which points out the expected Vacancy be admitted.

Similar Returns must be forwarded to the Regimental Agents, for the information of their respective Colonels; and, unless Officers' Names are inserted in these Returns, or they shall notify their intentions direct to Head Quarters at intermediate periods, stating the reason for previous omission, which reason must be certified by the Colonel or Commanding Officer, they can have no claim to Succession by Purchase.

In all cases of Exchanges between Officers on Full Pay, whether of Cavalry or Infantry, or from Cavalry to Infantry, the Recommendations must be signed by the Colonels or Commanding Officers of the respective Regiments, and must be accompanied by a Declaration signed by the Individuals, and certified by the Colonels or Commanding Officers of the Regiments to which they respectively belong; stating that the Exchange recommended does not originate in any Regimental Proceeding of any kind, or in any Cause affecting the Honor and Characters of the Officers, and that there are no grounds of personal objection which have, in the smallest degree, induced an Application for such Exchange, and by the following additional Certificate.

"That they do not intend to sell out, or retire upon Half-pay, after effecting "such Exchange, but that it is their bonâ fide intention to join immediately, and "do duty with the Corps to which they exchange, the Leave of Absence which "may have been granted to either, or both, being cancelled by such Exchange."

No Officer of Cavalry who shall apply for Permission to retire on Half-pay, will be allowed to receive the Difference between Full Pay of Cavalry and Full Pay of Infantry, but such Exchange will be viewed as being, to all intents, an Exchange to the Half-pay of his Branch of the Service, receiving the Difference between Full Pay and Half-pay, and subject to the restrictions applicable to such Exchanges.

In Exchanges to Half-pay, either with, or without, the Difference, or from Cavalry to Infantry, the Application must be general and unconditional, and the Officer upon Full Pay will not be allowed to point out his Successor, who will be indiscriminately selected by the Commander in Chief without any previous notice to the Parties.

Every Officer who, from Wounds, Ill Health, Infirmity, or Age, shall beco-

unfit for Service, and who shall be desirous of retiring upon Half-pay, will transmit his Application through his Colonel, or Commanding Officer, accompanied by a Certificate from the Senior Medical Officer of the Regiment, expressing the Cause of his becoming unfit for Service, and which Certificate must be countersigned by the Colonel or Commanding Officer.

It is to be most strictly observed, that no Persons shall be employed in the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, "except such as are Agents of Regiments, authorized by the Commander in Chief, or by the Colonels or Commandants of Regiments or Corps, and shall act therein under such Regulations only as are, or shall, from time to time, be established by His Majesty, and shall not cause or procure, or knowingly permit, or suffer to be printed or advertised, any Advertisement or Advertisements, Proposal or Proposals, for any Purchase, or Sale, or Exchange of any Commission, or any Negotiation relating thereto; and shall not receive or take any Money, Fee, Gratuity, or Reward, or any Promise, Agreement, Covenant, Contract, Bond, or Assurance, or by any way, means or device, contract or agree to receive, or have, any Money, Fee, Gratuity or Reward, for acting in such behalf."

"It is also to be observed, that every Officer in His Majesty's Forces who shall take, accept, or receive, or pay, or agree to pay, any larger Sum of Money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions in His Majesty's Forces, or who shall pay, or cause to be paid, any Sum of Money to any Agent or Broker, or other Person, for negotiating the Purchase, Sale, or Exchange of any such Commission, shall, on being convicted thereof by a General Court Martial, forfeit his Commission, and be Cashiered;" and, "That every Person who shall sell his Commission in His Majesty's Forces, and not continue to hold any Commission in His Majesty's Forces, and shall, upon, or in relation to such Sale, take, accept, or receive, directly or indirectly, any Money, Fee, Gratuity, Loan of Money, Reward or Profit, or any Promise, Agreement, Covenant, Contract, Bond or Assurance, or shall by any device or means, contract or agree to receive, or have any Money, Fee, Gratuity, Loan of Money, Reward or Profit, beyond the Regulated Price or Value of the Commission sold, and also every Person, who shall wilfully or knowingly aid, abet, or assist such Person therein, shall be deemed and adjudged guilty of a Misdemeanor."*

It is hereby Declared, that in all cases when these Regulations shall appear to the Commander in Chief to have been infringed or evaded, the Promotion, or Exchange, will be at once Cancelled.

And in all Cases where Proof can be obtained, that the Provisions of the Act 49 Geo. 3d. cap. 126, and the 134th clause of the Mutiny Act, have been, directly or indirectly, infringed, the Commander in Chief will take Measures for giving full effect to the Penalties which attach to such Offence.

Promotion, Exchange and Resignation of Regimental Officers.

No Officer shall be promoted to the Rank of Captain, until he has been Two Years an Effective Subaltern.

No Officer shall be promoted to the Rank of Major, until he has been Six Years in the Service.

No Regimental Officer, being actually under Orders to join a Regiment or Battalion on Foreign Service, or to embark with a Corps destined for Foreign Service, shall be permitted to exchange into another Regiment except such Exchange shall be solicited on the ground of Extreme Ill Health, which must be certified by a Military Medical Officer. In these Medical Certificates it must be clearly stated, whether the cause of the Officer's Inability has, or has not, arisen subsequently to his having been placed under Orders to join his Regiment.

Officers who give in the Resignation of their Commissions, *or who apply to retire on Half-pay, with, or without the Difference*, are not, in consequence, to quit their Regiments, until they receive regular Permission for that purpose.

The Colonels or Commanding Officers of Regiments of Militia, when embodied, and serving under a General Officer's Command, are required, previously to their submitting the Resignation of any Officer to the Lord Lieutenants of their respective Counties, to make a communication of their intention through the General Officer Commanding the Brigade, to the General Officer Commanding the District.†

† N.B. It is not required that the Communications on this Subject shall be transmitted for the Approbation of the Commander in Chief. When the General Officer Commanding has no objection to the Resignation being accepted, he is to signify the same to the Colonel or Commanding Officer of the Militia Regiment, who will then forward the Resignation to the Lord Lieutenant.

MEMORANDUM.

GENERAL ORDER.

HORSE-GUARDS, 13th May, 1824.

THE Commander-in-Chief having received a Report from Lieutenant-General the Marquis of Londonderry, that His Lordship had accepted a Challenge to fight a Duel with Ensign Battier, late a Cornet of the 10th Royal Hussars, upon a point which his Lordship considered to be one of Military Duty, His Royal Highness has felt it incumbent upon Him to submit to the King a transaction at variance with the principles of Subordination, and therefore of a tendency injurious to the Discipline of the Army:—The King has consequently conveyed to His Royal Highness His Majesty's Commands, to express His Majesty's concern and displeasure, that an Officer of Lord Londonderry's high Rank and Military Reputation, should have committed himself in personal collision with an Inferior Officer, by accepting a Challenge for any supposed aggression proceeding from the exercise of his Authority as Colonel of the Regiment:—And His Royal Highness has re-

ceived His Majesty's further Commands, to caution Colonels and Commanding Officers from falling into any similar Error of Conduct, which must tend to subvert all Discipline and Subordination, and therefore to destroy the efficiency of the Army.

By His Royal Highness
The Commander-in-Chief's Command.
HENRY TORRENS,
Adjutant-General.
